La Unidad Latina, Lambda Upsilon Lambda's 2009 National Legislative Convention

Hoboken, NJ — August 2009 — The National Leadership of La Unidad Latina, Lambda Upsilon Lambda Fraternity, Inc. officially announces the 2009 National Legislative Convention (NLC). This year NLC will take place the weekend of Friday, October 16th – Sunday, October 18th, and will be hosted by the Hermanos of Alpha Alpha Chapter at Stevens Institute of Technology.

This exciting weekend is filled with a plethora of business and social activities to keep everyone engaged and energized. The Convention will allow all Brothers the opportunity to participate in educational seminars, workshops and even professional speakers.

Additionally, our inaugural "Lambda Expo" will feature our corporate sponsors and associate members from across the country. This is a perfect opportunity to network with potential employers and possibly land the career of your dreams.

In an effort to honor our traditions the National Council will be recognizing those who have gone far and beyond to exemplify the ideals of La Unidad Latina. During the Awards Ceremony we will be recognizing Academic Excellence & Professional Development, Community Service, Undergraduate of the Year, Brother of the Year, and the most proficient undergraduate chapter with the coveted "Copa Dorada" award.

Our scheduled social events are certain to entertain all of our guests throughout this momentous weekend. The "Welcome BBQ" will kick-off the weekend with great food and bonding between our Brothers, friends and various organizations in the Hoboken community. Also, if you're looking to learn or improve your dancing moves, join us for our "Salsa Social" which will be facilitated by professional instructors.

The National Leadership would like to thank everyone for their involvement and participation. We look forward to seeing you soon!
